Foreword

We, the Aquila Staff of 1963, have endeavored to keep a pictorial record of the activities, the memories that were enfolded in this school term. Here we present them to you.

Upon opening this Aquila, perhaps the forgotten echoes of the ball games, the parties, the roaring glory of victory, the swelling pride for our own performers of the stage, will be reopened for you. Then, too, looking upon these pages, you may recall the silence of the stage after the play is over, the silence of the gym when the crowd has disappeared, the silence at that crucial moment . . . and the silence of defeat.

We have sought to preserve the happy times mingled with the sad, that we as graduates may remember, that we as undergraduates may have a standard to uphold.

Lest tomorrow you forget, this we give.

Bon chance, mes amis,

Dedication

In behalf of Central High School, the Aquila Staff wishes to express its appreciation to Miss Helen Womack, Superintendent of the Bedford County School System, for the many years which she has dedicated toward the improvement of our educational system. Many hours have been spent on her part which were far more than those to which she is obligated and which were all for the good of our school system. Our gratitude is extended to her through this dedication.

Hands Across the Sea

This year marked the beginning of the American Field Service Exchange Student Program in Shelbyville. Our first student is Sue Jones, a charming young lady from Chiselhurst, Kent, England.

We are sure that we are acting for the entire community in welcoming both Sue and the AFS to Shelbyville.

Owned by Mr. and Mrs.

Strong, black, and of noble breed
Full of Fire, and full of bone,
With all his line of fathers known.

His mane is like a river flowing
And his eyes like embers glowing
In the darkness of the night,
And his pace as swift as light.

Moments to Remember–

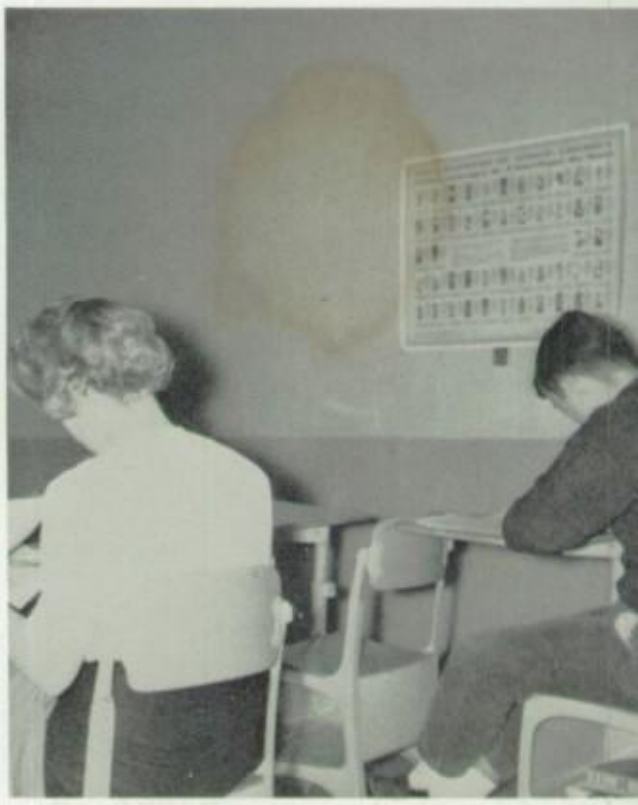
Sompthin's gotta give

Now is the hour

It's all in the game

Do ball games bore you???

Have a drink on me



1 & 1 = 2, 5 — 2 = ??? Hum—beat me!!!

You may think I look silly—but—

A little bit o' soda (and Brylcreem)

Say, do you know where I can find the 'powder' room???

FRESHMAN REPRESENTATIVES	Diane King Billy Purdum

Letter of Appreciation

After a short year of work on the Aquila, the deadline for the last page is drawing near. We can truthfully say that our every hour of work has been rewarded in full measure. Our association with the faculty and student body during our work has brought memories that will not soon be forgotten. We have done our best to include in this book each memory which contributed to the success of the school year 1962-63, and we hope you will be pleased with our efforts.

Yet, before our work is put aside, we wish to express deepest appreciation to the many who have made it possible to publish the annual. We have received whole-hearted co-operation from both faculty and students. We are especially grateful to Mr. May and Mrs. Simmons who have been co-sponsors in guiding us toward a more complete publication.

Our thanks is extended to each of the business firms which have contributed financially by advertising through the Aquila. We urge you to show your appreciation to these businesses by patronizing their firms.

The pleasure we have received from publishing the Aquila can only be expressed by saying that we hope you will receive as much from reading it as we have received from editing it for you.

Sincerely,

Linda A. Shelton
